Notes: Percent changes are not calculated when base numbers are less than 50.

Rates may not add to subtotals or totals due to rounding.

The California Crime Index has been temporarily suspended as efforts continue to redefine this measurement.

^a The Vallejo Police Department did not submit complete data for February through December 2005. Homicides are the exception.

¹ In 2003, larceny-theft over \$400 was included in the property crime category to give a more representative depiction of crime in California.
